6th Edition

Organised by Infinity Expo

$G H_2$ India

—Exhibition & Conference—

11-12-13 Aug 2027

Yashobhoomi, IICC, Dwarka, Delhi

Fueling Progress with Clean Energy: Unleash the Potential of Green Hydrogen.

About the **Gh2 India 2027**

The **6th Edition Green Hydrogen** India will be held on **11-12-13 Aug 2027 in India International Convention & Expo Centre Dwarka, New Delhi** as the biggest convergence of the best minds connected to the Sector. Ove the 2 days the event will run dedicated tracks on Investments for Financing Green Hydrogen, Technology Session to help identify the best mix for your business and an overarching session covering subjects like Policy, Commercial Strategy. In short the three days will empower you to define and define your Green Hydrogen strategies in a more informed way.

GH2 India 2027 will be the best opportunity in 2027 to engage directly with potential hydrogen buyers, infrastructure, energy and tech companies designing the supply chain. It will bring together key stakeholders and help fast track the growth in the hydrogen industry.

Read More

Who Should Attend Gh2 India?

- Hydrogen Generation
- Gas & LNG Infrastructure
- International & National Oil Companies
- Infrastructure & Construction
- Investors
- Service Providers
- Component Manufacturers & Industrial End-users
- Utilities, Power, Water
- Technology & Software Development
- Storage & Distribution
- Renewable Energy Producers
- Wind, Solar, Hydro, Mobility Sector
- Financial Sector
- Research & Academia
- Government Officials & Regulators
- Intergovernmental Institutions
- Advisory & Legal
- Heavy Industry

KEY HIGHLIGHTS

A Highly Specialized Exhibition Will Provide A Wide Range of Hydrogen-related Solutions, Technologies, & Products to Help Them Develop Hydrogen & Fuel Technology For Various Applications.

During the Two-day Intensive Discussions, the Gh2 India 2027 Conference Will Focus on Commercial Policy, Investment & Financing, & Technology.

Connect With Industry Leaders at Our Dynamic Two-day Events-be It as A Participant, Exhibitor, Or Visitor. Amplify Your Network & Carbon Strategy For Thrilling New Opportunities.

Visitor Profile

Green Hydrogen Developers

Management Consultants

Renewable Energy Developers

Energy Storage Providers

Policy Makers and Regulators

Equipment Manufacturers

Power Utilities

Transmission Grid Operators

Private Equity Firms

EPC Contractors

Financial Institutions

Technology Providers

Industry Analysts

Engineering & Technical Cons.

R&D Organisations

Fuel Cell Manufacturers

Oil and Gas Sector

Energy Utility

Heavy Industries

Gas Pipe Line Operators

Petrochemicals

Industrial Engineering

Offshore Energy

Automative

Exhibitiors Profile

Low-carbon Hydrogen Production	Storage Solutions	Infrastructure Solutions
Electrolyzers	Energy Conversion	Compression Technology
Catalysts	Hydrogen from Biomass	Hydrogen-Power & Power-to-X
Carbon Capture, Utilization & Storage (CCUS) & Hydrogen	Membrane Solutions	Industrial Plant Technologies
Liquefaction Technologies	Advanced Materials & Composites	Gasification Technology
Test, Simulation & Evaluation	Safety Systems	Hydrogen Fuels
Hydrogen Injectors	Line Assemblies	Fuel-cell Control Units
Heating with Hydrogen	Fuel cell Components & Auxiliaries	Thermal Management
Electrocatalysts	Fuel Cell Manufacturing & Assembly	Refueling Solutions

GLIMPSES OF 5TH EDITION GREEN HYDROGEN SUMMIT

Built up Shell Space Stall
INR 16,000 Per Sqm
+ GST (Min 12 Sqm)

Raw Space Stall
INR 14,000 Per Sqm
+ GST (Min 36 Sqm)

Delegate Fees
INR 15,000
+ GST Applicable

Sponsorship Opportunities
INR 4 Lakh to 35 Lakh
Customized From
